Vehicle in detail

The brandnew Élite is probably the most distinctive model of the D'Auria family. Its appealing design compiles italian style with pure efficiency.

The panoramic vision and the premium quality cabin deliver an unique passenger experience in its class. Due to the extra large luggage compartment, the Élite is highly suitable for touring groups up to 31 passengers. Handy but powerful, the performance and the reliability of the IVECO engine satisfy your drivers and the low noise level in the cabin your guests on board.

The aerodynamic design and innovative technology minimise fuel consumption and operational costs.

The Élite provides an image of elegance, prestige and innovation to your business.
