7,2t

Equipment Data

External height x length x width
2840 x 8518 x 2320 mm
Internal height x length
6050 x 2194 mm
Vehicle in detail

The Maxima's body frame is created from stainless steel for a long service life. We used computer aided design (CAD) throughout, helping us achieve the tough roll-over safety standard.

3D CAD has also been used to create the stylish body and practical but airy interior utilising robust modern materials.

Available with under floor passenger lift or coach back variant

Lightweight, custom designed and compact seating

Available with manual or Hi-Matic ZF gearbox

Large windows and glass roof hatch

Saloon floor is completely flat and free from obstruction and overlaid with a slip resistant vinyl with high visibility step edging

All the interior lights are LED with blue night lights and include LED load lamp, cab lamp and step lamps
