4350

GVW  
7,2t

## Equipment Data

External height x length x width

3100 x 7450 x 2160 mm

Internal height x length

2000 x 6500 mm

Vehicle in detail

Capacity up to 15 seats and 25 standing places. Back low entry with a platform for easy wheelchairs access. Diesel or CNG engines comply with EURO 6 standards. The vehicle can have all currently used facilities as: air conditioning, independent heating systems, automatic gearbox, security systems supporting a driver, etc. Stainless steel construction and aluminium plating allow to forget about the corrosion phenomenon. At the request of the client we assemble all the required passenger information systems such as destination signs, indoor monitors with voice announcement systems, ticket validators, wi-fi, usb chargers, etc.
